ILLUSION OF COMMUNICATION

What do you think you can send automated outreach for?

WHAT YOU SEND

Emergency Communications
Severe weather
Outbreak notifications

WHAT YOU COULD SEND

Operational Efficiencies
Intake forms
Discharge processes
Off-site appointments
Open shifts
Clinic sign-ups

Reputation Management
New resident welcome
Wellness check-ins
Care plan meetings
Open house
Staff recognition

Regulatory Compliance
Policy changes
Fall with no injury
Staff training
Power outages

WHAT ARE THE IMPACTS?

15 million messages
Over **3,000 facilities** and **5,000** users use ACM to keep their care communities informed.

200+% ROI
Hours are saved, more time is spent on care and the need for overtime and agency staff are reduced or eliminated.

5 minutes
Most facilities spend **17 hours** in manual outreach per event. ACM turns that into **5 minutes.**

1 million hours
How much time ACM returns to direct resident care every year.
